

## CHILDHOOD EDUCATION INNOVATIONS

*Childhood Education: Innovations* provides unique, stimulating information about educational programs around the world. Articles explore solutions to specific challenges affecting schools, teachers, and learners, and showcase the most recent innovations being developed and implemented to address those challenges.

Articles planned for the July/August 2022 issue:

### **Love Teaching to Inspire Love of Learning**

*STiR Education supports education systems by reigniting intrinsic motivation so that every child, teacher, and official is motivated to learn and improve.*

### **Accelerated Learning to Reach Children Furthest Behind**

*This article describes an accelerated learning program to help the learners furthest behind in Kenya.*

### **aeioTU: Building a World That Listens to Children Better**

*aeioTU is committed to working tirelessly to ensure the full development of all children into empathic, responsible, and happy adults who can be leaders in their communities.*

### **Building a Culture of Peace and Non-Violence in Vulnerable Schools: Aulas de Paz in Venezuela**

*This program increases the number of teachers, parents, caregivers, and community leaders who are trained with strategies, dynamics, and activities linked to positive personal and social core values.*

### **Transforming Education Requires Collaboration at Every Level**

*Secretary-General at Yidan Prize Foundation reviews how collaboration can shape systems that keep learners at the heart of education.*

### **Adapting and Responding to Continuous Change and Uncertainty: The Breteau Foundation's EdTech Programme in Lebanon**

*The Breteau Foundation is committed to improving academic engagement through the development and distribution of education resources, technology, and teacher training.*

### **Learn-Earn-Return: Working With Underprivileged Youth in Thailand**

*The Thai Child Development Foundation supports underprivileged children who fall outside the Thai healthcare and education systems.*

### **Social Franchise Models Enable Innovation in Social and Financial Education**

*Aflatoun International uses a social franchise model to provide SFE to children and youth globally.*

*CE International and the authors reserve the right to postpone or cancel articles, if deemed necessary.*
