

For ensuring the most effective use of the Quality Holistic Learning [Open Educational Resources \(OERs\)](#), we recommend contextualizing them to national education systems, priorities, and classroom realities, in collaboration with local educators.

While these OERs are available for free, we ask that users adhere to the [Creative Commons Attribution Non-Commercial 4.0 International license](#) that governs use of this resource.

Thank you for acknowledging The Center for Professional Learning at Childhood Education International in your training, on your course site, or wherever you make use of this resource.

The Center for Professional Learning can provide guidance and support for use of these materials, including how best to contextualize the material, facilitate professional development, assess impact and outcomes, or otherwise support teaching and learning. The Center for Professional Learning provides these fee-for-service options based on project parameters.
